Figma & Adobe XD

About Me

Aspiring UI/UX and graphic designer currently pursuing training at Tops Technology in Ahmedabad. Passionate about creating visually appealing and user-friendly designs, I am eager to gain practical experience through an internship. I am committed to learning, applying my skills in a real-world setting, and contributing to innovative design solutions.

Project

Wedding Planner Website

june-2024 to sep-2024,Ahamdabad

I designed and developed a one-page website for a wedding planning business, with a focus on creating an elegant and visually captivating design. Using Adobe Photoshop, I crafted the entire layout, including sections for services, an event gallery, testimonials, and a contact form, ensuring a seamless flow and user-friendly interface. I paid special attention to details such as typography, color palette, and imagery to reflect the romantic and sophisticated theme of the brand. The design is fully responsive, making it adaptable for viewing on various devices while maintaining its aesthetic appeal.

Education

Bachelor of Computer Applications (BCA)

Maharaja Krishnakumarsinhji Bhavnagar University, Bhavnagar
[2022] – [2024]

Higher Secondary Certificate (HSC)

Gujarat Secondary and Higher Secondary Education Board (GSHSEB)
2020

Training

UI/UX and Graphic Design Course
2025 – Present

I completed a UI/UX design course at Tops Technology in Ahmedabad, where I gained essential skills in user research, wireframing, prototyping, and visual design. The course covered UI design principles, color theory, typography, and layout, and I learned to use tools like Figma, Sketch, and Adobe XD. I also gained hands-on experience through real-world projects and learned the importance of usability testing and user feedback. The program helped me develop both technical and creative skills, preparing me to contribute effectively in the field of UI/UX design.

Certifications

Passionate UI/UX designer with hands-on experience in web design and graphic design. Currently studying at Tops Technology in Ahmedabad, with strong skills in creating user-friendly digital experiences. Proven leadership abilities as a team leader, eager to contribute fresh ideas and innovative design solutions in a dynamic environment.
